

WHY CHOOSE THE MISS AUSTIN TEXAS or MISS AUSTIN TEXAS TEEN PAGEANT

We continue to motivate young women to strive to be their best and occupy their time working towards a goal. We believe our youth is our greatest natural resource and we are dedicated to providing opportunity, personal training and growth and to promote positive attitudes in the young women who participate.

The Miss Austin Texas Teen /Miss Austin Texas Pageants offer extensive preparation for each contestant. The workshops and rehearsals are extra benefits to train contestants in all categories of competition; interview, swimsuit and evening gown. The winner may not be the most outstanding in any one category, but score well in all. The judging is based on beauty, physical fitness, poise, personality and intelligence. There is no talent competition and no experience is necessary. By the night of the pageant, all contestants will have the self-confidence, poise and experience needed to be in, not only the Austin Texas Teen or Miss Austin Texas pageant, but the state pageant.

In addition to the pageant's support of higher education, Miss Austin Texas Teen and Miss Austin Texas serve as ambassadors promoting the Central Texas area in various activities. All finalists are invited to be titled and participate at the state level. Workshops are held at no charge for Miss Austin Texas Teen and Miss Austin Texas contestants to help them prepare.

The majority of the money raised goes towards the production of the pageant, the workshops, scholarships, prizes, plus the expenses and fees for the state pageants.

We are proud of the young women who have participated in the pageant and returned as contestants again or as pageant volunteers. As a director for more than 28 years, I am very proud of the high standards we continue to uphold.
